

Dear friends,

We had some beautiful sunny days, but coming week the temperature will be much lower. Perhaps it will give you the opportunity to 'visit' some of the beautiful churches of our parish, by watching the recordings of the Dutch Holy Mass:

Last week, May 3, the Holy Mass has been recorded in our church in Rhenen, the "Memorial church", and today May 10, the Holy Mass has been recorded in our church in Renkum, the "Our Lady of Assumption church". The Dutch Masses can be seen on <https://www.facebook.com/rkpztb/>

General information

A summary of the General information of our Parish in relation to the Corona crisis, i.e., what times live streamed Masses can be seen, how to request for Mass intentions, how to contribute to the collection, etcetera, can be found [HERE](#)

NB. the Adoration moments in this document are the 'general moments'; they have been changed for this week:

Have a safe trip back home, Luigi!

For several weeks we were very lucky to have two or even three acolytes helping in our International Mass. Today, however, we saw Luigi for the last time 'swinging the incense' here.

We will miss you, Luigi, but on the other hand we are very happy for you that you finally managed to be able to get a flight back home. Thank you very much for your kindness, your positivity, for your involvements in our ICC, helping us by being an acolyte, etcetera!

Let's pray for Luigi (and all others who will be traveling home) having a safe trip back home! And please pray for all others who are not able to do the things they were planning to do.

Have a blessed week, and let's stay in contact with each other by praying.
