### **Running together is much more fun!**

Of course you want to share your experience with other ICC-friends?

Please contact Wim Braster ([wj.braster@hotmail.com](mailto:wj.braster@hotmail.com)) when you have registered or are planning to register, so he can bring you all in contact with each other.

You know Wim: he is the man who arranges the offertory every Sunday afternoon.

Idea: perhaps you can use "ICC Wageningen" as hometown, so everybody can notice we belong to the Wageningen Catholic team?

In a later news-letter we will ask for the non-runners to be there for you, applauding and cheering you up during your run.
