

Dear friends,

The Dutch government has tightened up the measures regarding the Corona virus, and thus also the measures in our parish have become stricter, to avoid spreading this terrible disease. This means that until further notice:

New Measures (from March 15, 2020)

- all weekday celebrations and gatherings in our parish are canceled.
- the church/chapel will remain open for personal prayer, however.

We hope you understand the necessity of this measure taken by the board of our Parish.

Holy Mass

The Dutch Holy Mass and the International Mass have been recorded today.

A record of the International Mass can be found on Facebook, and will be put on the ICC internet as soon as possible.

A record of the Dutch Mass can be found on the Internet site of the Parish:

<https://www.ztitusbrandsmaparochie.nl/>

So, until further notice

- There will be NO Holy Mass
- There will be NO rehearsals of the International choir
- There will be NO weekday activities (Mass, Confession, Matins and Lauds, Adoration, etc)
- If possible, the Church will be open for prayer and/or for lighting candles.
A polite request: please take into account a physical distance between each other, i.e., please sit as far apart as possible?

Advices RIVM (National Institute for public health and environment)

The RIVM (the National Institute for public health and the environment), advised following measures to avoid spreading the coronavirus:

- wash your hands regularly
- if you have to sneeze or cough do it in the inside of your elbow
- use paper handkerchiefs
- if you have a cold, if you have to cough, if you have a sore throat or fever; stay at home, avoid contact. Do not call your doctor until complaints get worse.

Please pray

Please remember in your prayers all the victims of the virus and all who help them?

And please pray for the governments, for strength and guidance in their decision making in this Corona epidemiology? At the end of this mail you find a prayer that could help you with that ([Prayer](#)).

Stay connected

Stay healthy, stay positive,
and stay connected with each other....not physically, but by prayer,
and by this huge now very helpful invention; the virtual media!

We'll keep you informed about the further developments concerning all measures.

ICC

The prayer

God, our refuge in distress,
strength in our despair and fear,
comfort in sickness and suffering.
Be near and gracious to us, Your people
now that we are all experiencing the consequences
of the erupted corona virus.
Be a Guardian to them
who are infected with this virus;
we pray for them for hope and healing.
We pray for those who have died
by the effects of this virus;
that they may be salvaged with You.
We pray for all who work in health care
and for all who are responsible for the management:
that they may experience Your nearness and blessing
in their work at the service of all society.
Make us realize how great Your love is for each of us.
Make us , at this moment in which we experience
our vulnerability of our existence, realize that You are with
us.
Strengthen our faith and our hope
so that we always , without hesitation surrender
to Your paternal providence.
Through Christ our Lord.
Amen
